Building Insurance Aargau/Lucerne

Zofingen, Switzerland

Training

Sofa Fire

Stair Fire

Mobile FIRETRAINER® ML-2000

Two mobile Structural Trainers with side extension and five fire places each on trailer.

Trainer “A” with:
- Gas bottle Fire
- Kitchen Fire
- Stairs Fire
- Universal Fire
- Flashover

Trainer “B” with:
- Gas Meter Fire
- Sofa Fire
- Stairs Fire
- Universal Fire
- Flashover

In 2013 the building insurance of the cantones Aargau and Lucerne replaced these trainers with two newly developed mobile training systems of KFT Fire Trainer. The older ones are further on used by a private training supplier.

Delivered: January 2005

Fueled by: Propane
